

**ST. GEORGE'S CHRISTIAN
PRESCHOOL**

FOURTH ANNUAL

"HOP-A-THON"

All of our preschool students will be hopping during class time, the week of April 3rd, to earn money for our Early Childhood Education Scholarship Program. We have asked our parent's and children to collect pledges and we are also asking our church members for their support.

This will be an excellent exercise in motor and counting skills. Each student will hop while counting to 50. We chose 50 because our goal is to have each student to bring in at least \$50.00 in pledge money.

As an incentive there will be **PRIZES & GRAND PRIZES** donated from local merchants that the children and their families can receive.

In the past 3 years our Hop-A-Thons have assisted us in raising money for the playground equipment, the fence around the playground and the sidewalks.

If you know one of our preschoolers please support them to help meet their pledge goals. Or if you would like to make a donation, you can put them in the Pre-School Directors, Pam Shepherds church mailbox.

Thank you for your continuous support!
